The secure consoles from Shred-it offer efficiency, durability and the flexibility you expect.

Shred-it's secure consoles are designed to suit any office environment.

▶ Lockable for added security and assurance.

▶ Specifically designed with wide-feed slots that can take up to 400 pieces of paper at a time and cannot be retrieved.

▶ Sturdy enough to take the weight of a printer or other office equipment on the top.

▶ Made with recycled wood materials compliant with the Environmentally Preferred Product Certification (EPP), ensuring better office air quality.

Shred-it's wheeled security containers are extremely durable and easy to manoeuvre.

▶ Top-loading, durable plastic containers with larger sizes available for high paper volumes.

▶ Ideal for higher volume areas such as post rooms, print rooms or warehouses.

▶ Security slot to ensure paper cannot be retrieved from inside.

▶ Wheeled and well-balanced for easy handling.
