

Protecting your health and ours.

The health and welfare of our customers and staff is paramount.

To continue operating within government guidelines, while servicing customers, our service team will:

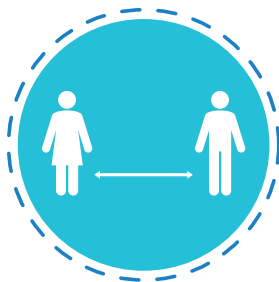

Only have **one** Customer Service Representative per vehicle

Wear face masks and gloves before entering customers' premises

Sanitise handheld devices before entering customers' premises

Follow social distancing guidelines during service

Scan consoles using handheld devices however a customer signature will not be required

Sanitise hands when returning to the vehicle

Wash hands and dispose of PPE on return to the Shred-it branches

For peace of mind, contact Shred-it today
